

NEW ITFA MEMBERS

ITFA is pleased to welcome the following three institutions to its growing family:

[Allen & Overy LLP](#) is a global legal services firm with expertise in banking & finance, M&A, litigation, funds, IP, and related business solutions.

Sebastian Clifton will be the main contact person for all ITFA related matters.

[#dltledgers](#) is an inter-enterprise blockchain solution provider focused on digitizing cross border trade. Our clients include both corporates and financial institutions to are looking for ways to enhance efficiencies, reduce manual errors, track and trace for provenance, and measure sustainability objectives.

Jeremy Kua will be the main contact person for all ITFA related matters.

[Orbian](#) was founded in 1999 as one of the first companies to develop supply chain finance.

In 2004 Orbian launched our universal funding structure that, combined with our company's state-of-the-art SCF technology platform, allows Orbian to offer comprehensive SCF solutions and services to our large corporate clients globally. The universal funding structure allows Orbian to offer programs with virtually unlimited funding capacity, while mitigating the funding and operational risks inherent in all other SCF offerings.

In 2008 Orbian was first recognized by Global Finance Magazine as the 'Best Global Supply Chain Finance Provider (Non-Bank)' and has won the award ten times since then (most recently in 2020), in addition to dozens of other awards recognizing our SCF program implementations, supplier enrollment process and support.

Andrew Notman will be the main contact person for all ITFA related matters.
