

ITFA Conference Sponsorship Opportunities, Porto 2022

Planning for the 48th ITFA Annual Conference in Porto, Portugal between 7-9 September 2022 is well underway with the official launch including Early Bird tickets, expected in March/April.

As a voluntary organization, we rely on our sponsors to make all our events a great success.

What do we promise our sponsors in return? Quite simply, one of the best opportunities to show off your leadership to a highly targeted and relevant audience. We are highly committed to advertise your business as a valuable sponsor on our webpage, social media channels and all marketing materials. We have now launched the conference sponsorship brochure which offers various packages at various price tags starting with our Exclusive Platinum sponsorship (sold), Gold sponsorship, Premium Silver and Silver sponsorship, and various items to choose from for Bronze sponsorship.
