Booking Fintech Spaces at the 48th Annual International Trade and Forfaiting Conference

Date: 7th – 9th September 2022

Venue: Porto, Portugal

For the very first time ever at an ITFA conference, we are giving the ITFA Fintech community an opportunity to directly showcase its products. At a minimal cost of €1,500, you will be able to book its own dedicated exhibition space. Naturally, each exhibitor will be responsible for its own branding, so we will leave that in the hands of your creative marketing team.

A demo space is a great idea to liven up your product demos in order to help boost sales. An effective space displays the benefits of your product in a way that will appeal to your target market. We urge you to contact us on info@itfa.org, should you be interested in reserving a space. As you can imagine, space at the hotel is limited so the allocated areas will be available on a first come first served basis.

Allow us to help you make an impression on conference visitors – we anticipate 250 delegates, so grab the opportunity and make your product come to life in ways that will appeal to all attendees and turn them into potential customers.
