Members Re-joining ITFA

ITFA is pleased that the following institution re-joined our ever growing association:

[The Access Bank UK Limited](#) is a wholly-owned subsidiary of Access Bank Plc, a Nigerian Stock Exchange listed company. We provide Trade Finance, Commercial Banking, Private Banking and Asset Management products and services for customers in their dealings with Organisation for Economic Co-operation and Development (OECD) markets and support companies wishing to invest in and trade in Sub-Saharan Africa, MENA and Asian markets.

We are authorised by the Prudential Regulation Authority (PRA) and regulated by the Financial Conduct Authority (FCA) and the PRA. The Access Bank UK Limited – Dubai Branch, situated in the iconic Gate Building of Dubai International Financial Centre (DIFC) is regulated by the Dubai Financial Services Authority (DFSA).

Like our parent, we are committed to developing a sustainable business model for the environment in which we operate. This is reflected in our moderate appetite for risk, our passion for customer service and our commitment to build long-term relationships by working in partnership with our customers. We play a key role in our Group's vision to be the world's most respected African bank. As such, we refuse to chase unsustainable yields as a route to growth. Instead, we focus on building our business through the strength of our customer relationship.

Desiree Cline-Thomas will be the main contact person for all ITFA related matters
